Active MolDX LCDs

All LCDs are the same for each state within a Jurisdiction and are accessible from the table below.

Access LCD or Article: Select the LCD or Article number in the table below to view the policy or article on the Medicare Coverage Database (MCD).

Print the LCD or Article: Select the LCD or Article number in the table below to view the policy or article on the Medicare Coverage Database (MCD).

1. Click on the blue download arrow on the right side of page when LCD or Article appears.
2. Click the print when PDF opens.

Once you access the LCD, the "Coding Guidelines" can be found under the heading, "LCD Attachments" near the end of the document. Note: All CPT/HCPCS codes listed are mentioned in the LCD, but are not necessarily subject to diagnosis codes or coverage criteria.

Search for an LCD Type here to filter...
